From: Bret Harmon, Director of Finance  
Re: Tax Measure Overview

---

### **PURPOSE(S)**

The purpose of this in-depth presentation is to provide educational information to the City Council regarding transactions and use tax (commonly referred to as Sales Tax) ballot measures. The presentation will cover how transactions and use taxes are similar to or differ from sales and use taxes, the City's economic condition, comparisons to similar communities, the process associated with a ballot measure, and discussion,

Staff intends to return present a summary presentation of this material at the City Council meeting on February 14, 2017.

### **RECOMMENDATION(S)**

Prepare for February 14, 2017 City Council meeting presentation and encourage public comment.

### **ACTION REQUIRED**

No action required.

### **ATTACHMENT(S)**

No attachments.
