### CONSTRUCTION MANAGEMENT SERVICES FOR OLIVE BOWL AND KAKU RENOVATION PROJECT

#### Addendum/Clarification No. 1

The following additions and/or corrections shall become part of the Specifications for the subject project:

#### 1. Question/Clarification.

- a. Question: Can you clarify how the cost will be weighted into the overall proposal score if the price is not opened until after selection?

Answer: The requirement for submitting proposals in a sealed envelope has been removed. Additionally, the cost criteria will no longer be considered in the evaluation of proposals. Proposals will be evaluated solely on qualifications and relevant experience as outlined in the revised RFQ.

- b. Question: Will the project need material testing for any of the construction activities?

Answer: Yes, the project will require material testing. The contractor is responsible for quality control to ensure compliance with project specifications. The City of Lindsay will be utilizing the services of Consolidated Testing Laboratories Krazan for quality assurance. The construction manager will coordinate all necessary testing between the contractor and CTL Krazan, including but not limited to: compaction testing for soils and aggregate base, concrete testing for structural components, and asphalt testing for paved areas.

- c. Does the City also expect the proposing firm to include construction inspection for the duration of the project, or will the city be utilizing their own inspectors for this project?

Answer: The city will provide electrical inspections only. The construction manager is responsible for observing all construction installation, ensuring the contractor follows the contract specifications and plans. Additionally, the construction manager must provide a certified playground inspector and a SWPPP practitioner to ensure compliance with all relevant standards and requirements.

- d. Does the City expect construction staking to be included as part of the construction management services, or does the City intend to have this service contracted directly with the city?

Answer: The city will be providing construction staking services through the City's surveyor. Therefore, the proposing firm is not expected to include staking as part of the construction management services.

#### 2. Revision to RFQ

- a. Removed the submittal requirement "Sealed Fee Proposal" in Section III. A of the RFQ

- b. Removed the “Reasonableness of Cost” criteria in Section IV. B of the RFQ. See revised RFQ

This completes the items included in this Addendum/Clarification No. 1 for the City of Lindsay, **CONSTRUCTION MANAGEMENT SERVICES FOR OLIVE BOWL AND KAKU RENOVATION PROJECT**. This Addendum cover page shall be signed and submitted with bid proposal.

- 1.** Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- 2.** Order CONSULTANT to stop work under this Agreement and/or withhold any payment(s) which become due to CONSULTANT hereunder until CONSULTANT demonstrates compliance with the requirements hereof.

The obligation to indemnify and defend City as set forth herein is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement or this section.

**K.** Limitation On Indemnity Obligations. Without affecting any of the rights of City under any provision of this Agreement, Consultant shall not be required to indemnify and hold harmless City for liability attributable to the sole or active negligence of City, provided such active negligence is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where City is shown to have been actively negligent and where City's active negligence accounts for only a percentage of the liability involved, the obligation of Consultant will be for that entire portion or percentage of liability not attributable to the sole, or active negligence of City.

**L.** Submission of insurance certificates or submission of other proof of compliance with the insurance requirements in this Agreement does not relieve Consultant from the obligations of this Section 16. The obligations of this Section 16 shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

## **15. PERSONNEL.**

**A.** The Consultant represents that it has, or will secure at its own expense, all personnel required in performing the services under this Agreement. All of the services required hereunder will be performed by the Consultant or under Consultant's supervision, and all personnel engaged in the work shall be qualified to perform such services.

**16. NONEXCLUSIVE AGREEMENT.** Consultant understands that this is not an exclusive Agreement and that City shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Consultant as the City desires.

**17. ASSIGNMENT.**

**A.** Consultant shall not assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of City and any attempt to so assign or so transfer without such consent shall be void and without legal effect and shall constitute grounds for termination. In no event shall the CONSULTANT subcontract work in excess of 50% of the contract amount, excluding specialized services. Specialized services are those items not ordinarily furnished by a consultant performing this particular type of work.

**18. TERMINATION.**

**A.** The City may suspend this Agreement and Consultant's performance of the Services, wholly or in part, for such period as it deems necessary due to unfavorable conditions or to the failure on the part of the Consultant to perform any provision of this Agreement. Consultant will be paid for satisfactory services performed through the date of temporary suspension. In the event that Consultant's services hereunder are delayed for a period in excess of six (6) months due to causes beyond Consultant's reasonable control, Consultant's compensation shall be subject to renegotiation.

**B.** If Consultant at any time refuses or neglects to prosecute its Services in a timely fashion or in accordance with the Project schedule, or is adjudicated a bankrupt, or commits any act of insolvency, or makes an assignment for the benefit of creditors without City's consent, or fails to make prompt payment to persons furnishing labor, equipment, materials or services, or fails in any respect to properly and diligently prosecute its services, or otherwise fails to perform fully any and all of the agreements herein contained, Consultant shall be in default.

**C.** If Consultant fails to cure the default within seven (7) days after written notice thereof, City may, at its sole option, take possession of any Documents (as defined in Section 9) or other materials (in paper and electronic form) prepared or used by Consultant in connection with the Project and (1) provide any such work, labor, materials or services as may be necessary to overcome the default and deduct the cost thereof from any money then due or thereafter to become due to Consultant under this Agreement; or (2) terminate Consultant's right to proceed with this Agreement.

**D.** In the event City elects to terminate, City shall have the right to immediate possession of all Documents and work in progress prepared by Consultant, whether located at the Project, at Consultant's place of business, or at the offices of a subconsultant, and may employ any other person or persons to finish the Services and provide the materials therefor. In case of such default termination, Consultant shall not be entitled to receive any further payment under this Agreement until the Project is completely finished. At that time, if the expenses incurred by City in obtaining engineering services for the Project exceed such unpaid balance, then Consultant shall promptly pay to City the amount by which such expense exceeds the unpaid balance of the Not-to-Exceed Amount. The expense referred to in the previous sentence shall include expenses incurred by City in causing the services called for under this

Agreement to be provided by others, for attorneys' fees, and for any costs or damages sustained by City by reason of Consultant's default or defective work.

**E.** In addition to the foregoing right to terminate for default, City reserves the absolute right to terminate this Agreement without cause, upon 72-hours' written notice to Consultant. In the event of termination without cause, Consultant shall be entitled to payment in an amount not to exceed the Not-To-Exceed Amount which shall be calculated as follows:

(1) Payment for Services then satisfactorily completed and accepted by City, plus (2) Payment for Additional Services satisfactorily completed and accepted by City, plus (3) Reimbursable Expenses actually incurred by Consultant, as approved by City. The amount of any payment made to Consultant prior to the date of termination of this Agreement shall be deducted from the amounts described in (1), (2) and (3) above. Consultant shall not be entitled to any claim or lien against City or the Project for any additional compensation or damages in the event of such termination and payment. In addition, the City's right to withhold funds under Section 6(E) shall be applicable in the event of a termination for convenience.

**F.** If this Agreement is terminated by City for default and it is later determined that the default termination was wrongful, such termination automatically shall be converted to and treated as a termination for convenience under this Section 22 and Consultant shall be entitled to receive only the amounts payable hereunder in the event of a termination for convenience.

**19. DISPUTE RESOLUTION.** City and Consultant agree that disputes between them arising out of or relating to this Agreement shall be submitted to nonbinding mediation, unless the parties mutually agree otherwise.
