Request for Qualifications (RFQ) for Engineering-Architectural Services for Lindsay Transit Center

Addendum/Clarification No. 1

The following additions and/or corrections shall become part of the Specifications for the subject project:

1. Revised RFQ Schedule

To allow additional time for proposer inquiries and the City's review process, the following updates have been made to the RFQ schedule:

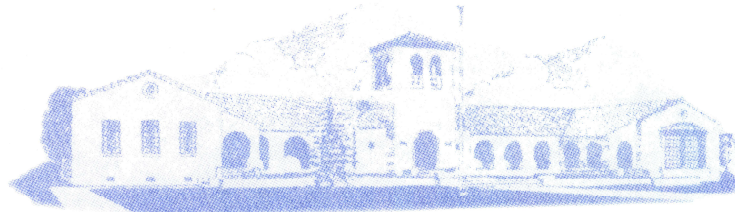

- a. Deadline for RFQ Questions:
March 7, 2025, by 4:00 p.m.
- b. City Responses to Questions:
March 19, 2025, by 3:00 p.m.
- c. RFQ Submittal Deadline:
March 26, 2025, by 2:00 p.m.
- d. Tentative Interview Week:
Week of April 7, 2025
- e. City Council Award Date:
April 22, 2025

2. Additional Scope Requirement – Geotechnical Investigation

The City of Lindsay is adding a geotechnical investigation as a required component of the project. The selected firm will be responsible for evaluating subsurface conditions at the project site and providing recommendations to support the design and construction process.

The geotechnical investigation should generally include:

- a. Field exploration and sampling to assess soil conditions.
- b. Testing and analysis to determine relevant geotechnical properties.
- c. Recommendations for foundation and pavement design, if applicable.
- d. A summary report outlining findings and engineering considerations.

e. Proposers should incorporate geotechnical services within their scope of work and ensure compliance with industry standards and best practices.
All other requirements and conditions in the RFQ remain unchanged.

This completes the items included in this Addendum/Clarification No. 1 for the City of Lindsay, **Request for Qualifications (RFQ) for Engineering-Architectural Services for Lindsay Transit Center**. This Addendum cover page shall be signed and submitted with bid proposal.
