KENWOOD MOBILE AND PORTABLE RADIOS

KENWOOD NX-5800BX MOBILE RADIOS KENWOOD NX-5300K2 PORTABLE RADIOS

The City of Lindsay is requesting a firm price quotation for twenty (20) New Kenwood NX-5800-BX Mobile Radios, and twenty (20) New Kenwood NX-5300K2 Portable Radios.

It is the intent of this specification to describe, as to the above radios, a police use radio, used daily to enforce city, state, and federal law, and to also be P25 compliant.

The manufacturer must use components, materials and design practice that are the best available in the industry for the type of operational condition to which this equipment will be subjected.

Failure to read, examine and understand this specification will not excuse any failure to comply with the requirements of this specification or any resulting contracts, nor shall such failure be a basis for claiming additional compensation. If bidder suspects an error, omission, or discrepancy in this specification, bidder must immediately, and in any case not later than five (5) business days in advance of the bid due date, notify the contact person listed in the vehicle specifications. The City is not responsible for and will not pay any costs associated with the preparation and submission of the bid. Bidders are cautioned to verify their bids before submission, as amendments to or withdrawal of bids submitted after the time specified for opening bids may not be considered. The City will not be responsible for any bidder errors or omissions.

Bid forms received after the designated time will not be accepted. The bidder assumes all responsibility for having the bid delivered on time at the place specified. All bids received after the date and time specified shall not be opened nor considered. No bidder may withdraw its bid for a period of thirty (30) days after the date set for the opening of bids. The City reserves the right to reject any or all bids, and to waive any irregularities in the bids, per Public Contract Code §22038(a).

Bids will be reviewed by a screening committee comprised of City employees and/or authorized agents. The City staff may or may not initiate discussions with bidders for clarification purposes. Clarification is not an opportunity to change the bid. Bidders shall not initiate discussions with any City employee or official.

CRITERIA FOR EVALUATION AND AWARD

The City evaluates three categories of information: responsiveness, responsibility, and price. All bids, regardless of the type of solicitation, must meet the following responsiveness and responsibility criteria:

- A. Responsiveness- The City will determine whether the bid complies with the instructions for submitting bids, including completeness of bid, which encompasses the inclusion of all required attachments and submissions. The City must reject any bids that are submitted late. Failure to meet other requirements may result in rejection.

- B. Responsibility- The City will determine whether the bidder is one with whom it can or should do business. Factors that the City may evaluate to determine “responsibility” include, but are not limited to: excessively high or low priced bid, past performance, references (including those found outside the bid), compliance with applicable laws- including tax laws, bidder’s record of performance and integrity, has the bidder been delinquent or unfaithful to any contract with the City, whether the bidder is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A bidder must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. The City reserves the right to inspect bidder’s facilities, equipment, and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.
- C. Price-The City will then evaluate bids that have met the requirements above.

Clarification of any item in this specification may be obtained via email from Rob Moore, Interim Director of Public Safety for the Lindsay Department of Public Safety at rmoore@lindsay.ca.us .

BIDDER QUALIFICATIONS

All bidders must be licensed in the State of California to sell and deliver said product.

Failure on the part of the bidder to comply with the requirements and conditions of this invitation for bid and this specification may subject his/her bid to rejection. No exceptions or deviations from this specification will be considered ***unless each exception or deviation is specifically stated by the bidder as an exception with a detailed statement completely defining the exception(s)***. The burden of proof of compliance with this specification is the responsibility of the bidder.

The radios shall be a new (unused). No old new stock.
